

High Life for Veterans

For many returning veterans, that coveted place we call "The High Life" can initially seem out of reach. The **Give A Veteran A Piece Of The High Life** campaign is a genuine approach to recognizing our returning troops that engages consumers on an emotional level and rewards our brave veterans returning from Iraq and Afghanistan during this time.

For every High Life cap or tab a consumer drops off at select retailers or mails in, Miller donates 10-cents toward High Life Experiences for returning vets. Up to \$1 million will go toward paying soldiers' way into sports events, concerts, outdoor adventures, and more.

Welcome Home from Hayes

James D. Hayes Sr., better known as Big Jim (left), served in the Korean War with the 40th Infantry Division. After serving his country, Big Jim came home and, along with his brother, John Hayes, a World War II veteran, founded Hayes Beer Distributing Company in 1956.

Big Jim, who passed away in 2007, had a passion for his family, the beer business, the military, and golf. There is nothing more Big Jim would have loved than enjoying a round of golf with his fellow veterans. On behalf of Hayes Beer Distributing Company, thank you for your service. **Welcome home!**

Oak Forest Salutes You

The City of Oak Forest is honored to serve as host to our returning veterans. We proudly salute you for your dedication, courage and sacrifice. Our Veterans' Commission regularly promotes programs for veterans, raises awareness of veterans' welfare issues, participates in programs with other veterans' groups, and recognizes the accomplishments of local veterans. Each year, we recognize our hometown heroes at a special ceremony during our Oak Fest celebration. We hope you enjoy your day at George Dunne National Golf Course in Oak Forest.

About the Golf Outing

The golf outing is our way of saying thank you for protecting our freedom and allowing us to live the "high life."

The event is completely free to all Iraq and Afghanistan veterans, who are at least 21 years old. No strings attached. All you need to do is sign up your foursome and show up and play.

Only veterans can golf and eat. However, **we invite your family to join us after dinner for a private fireworks show** in your honor.

We will have a **shotgun start promptly at 2 p.m.** We will use a best ball/scramble scoring system. Each golfer will tee off and all four golfers will play the best shot per hole.

No matter what your skill level, we guarantee you will have a good time. **Please bring your own clubs.** Each golfer will be issued three golf balls, a set of tees, divot repair tool, and golf towel.
